EUROPEAN CITIZENS´ INITIATIVE FORUM

How to collect signatures

LEARN - DISCUSS - CONNECT - SEEK ADVICE

Are you ready to launch the signature collection phase of your European citizens' initiative (ECI)? This *guidance note* is your essential toolkit for collecting statements of support both online and offline. It covers everything from setting up your campaign to ensuring compliance with EU regulations.

Why this guidance note is relevant to you

This guide is crucial for organisers aiming to gather the one million signatures needed for a successful ECI. Learn how to make the most of the central online collection system, a free and secure platform, and discover effective strategies for collecting signatures on paper. With this guidance, you'll maximise your reach and ensure your initiative meets all legal requirements.

Dive in to kickstart your campaign and make your voice heard across Europe!
